

Newsletter – July '08

Next year will hopefully see more events outside your usual lessons, such as workshops, masterclasses, visiting places (such as recording studios), live events and maybe even outings to gigs etc.

For those in the group lessons I am also planning to keep up the extra activities that we have had as part of your lessons over the last two terms, so there should always be something interesting to look forwards to!

Night of 1000 Guitars

I am planning on holding this year's event after the schools go back. Watch this space!!!!

Summer Workshop

Over the holidays I plan to hold a workshop of some sort. This could be a band workshop, heavy metal workshop, blues workshop, theory workshop or Masterclass/guest musician.

I envisage it being 2-3 hours a day for 2 consecutive days (these times are not definite).

Please let me know ASAP (see page overleaf) if you'd be interested in a workshop of any kind, and if so what types you would consider signing up for if they were to run?

I have no idea of prices yet, but this would depend on how many of you might be interested and whether I need to hire in musicians/teachers to help.

Lesson times

Having finished at the ACM I can start teaching earlier in the day again, so if there's a more convenient time for your regular lesson please let me know and I'll see what I can do.

Records update

To check that my records are up to date please could you fill in the form overleaf and return it to me.

Thank you,

Sarah
