

SPECIAL OFFER!!!

20% OFF A TERM OF GROUP LESSONS

Everyone shys away from group lessons believing private lessons are better. I honestly believe this is not the case. People end up paying more for private lessons, gain less benefit from them, and receive less hours tuition per week/year. MAD!!!!

Groups are value for money:

- Cheaper hourly rate
- Lower cost overall per year *
- More learning opportunities – GUARANTEED! **
- and yet gives the student more hours tuition per year

Band Workshop

* Cost per year:

	Hours of tuition	Cost

(You can always top up your tuition with a few private lessons if you feel you need them!and it will still cost you less.)

** Learning opportunities comparison:
